

Here's the third installment of Bruce's doily. He and I collaborated on this row. It's pretty much what he had planned, but I had to make a few minor changes to make it work.

Just one more row after this one! The next row will hold all the clover leaf motifs together and will finish the whole doily nicely.

This is a beginner pattern, at least so far. I have no guarantee that this design won't get more complicated.

I used Lizbeth Autumn Spice, Color 136 in size 20.
